Re: Independent Auditor's Report

Ladies and Gentlemen:

We have audited the accompanying financial statements of Squashbusters, Inc. (a Massachusetts nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

#### 1. NATURE OF OPERATION

Squashbusters, Inc. (the Organization), a Massachusetts nonprofit organization, is an intensive urban youth program serving approximately 300 middle school, high school and college students per year in Boston, Lawrence, Massachusetts and Providence, Rhode Island. The Organization uses the sport of squash in combination with academic tutoring and enrichment, community service, summer opportunities and hands-on college counseling, to achieve three specific outcomes: (1) improvement in long-term health and wellness; (2) college access and success – matriculation, perseverance and graduation and; (3) positive character development. The Organization serves its students continuously from the start of middle school until they graduate high school and enroll in college. The Organization then supports every student's journey through college to graduation. Students will spend approximately 100 days each school year, from grades 6 and 7 through grade 12 in direct engagement with the program.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net Assets Without Donor Restrictions</u> – Net assets are not subject to donorimposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

<u>Net Assets With Donor Restrictions</u> – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

#### B. Contributions and Donor Restrictions

The Organization reports use-restricted contributions as restricted support, if received with donor stipulations that limit, specify or otherwise restrict the use of such contributions. Net assets with donor restrictions are increased, as appropriate. When donor restrictions expire, either by funds for the specified purpose or by expiration of time restrictions, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. The donors of net assets with restrictions may permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

# 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

# C. Contributions Receivable

The Organization provides an allowance for doubtful accounts equal to estimated bad debt losses. In determining this allowance, objective evidence that a single receivable is uncollectible as well as a historical pattern of collections of receivables that indicate the receivables may not be collectible is considered at each statement of financial position date. No allowance for doubtful accounts was required at June 30, 2020 and 2019. Contributions receivable represent unconditional promises to give. Unconditional promises are carried at an amount equal to uncollected revenue less an allowance for doubtful accounts.

## D. Investments

Investments in securities with readily determinable fair values are valued at their fair values in the statement of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as an increase or decrease in net assets without restrictions unless the income or loss is restricted by donor or by law. Investment income or loss (including gains and losses on investments, interest and dividends) on net assets with restrictions is included in the statement of activities as an increase or decrease or decrease or loss (including gains and losses on investments, interest and dividends) on net assets with restrictions is included in the statement of activities as an increase or decrease in net assets with restrictions.

Investments consist of net assets with restrictions and related unappropriated earnings as well as net assets without restrictions designated by the board of directors to provide investment income for the long-term benefit of the Organization. Board designated investments and related investment income are recorded as net assets without restrictions.

# E. <u>Concentrations of Credit Risk</u>

The Organization is exposed to credit and market risk on its cash and cash equivalents, contributions receivable and investments. The Organization maintains cash and cash equivalents at certain financial institutions in amounts which exceed federally insured limits. The Organization's bank account exceeds the federally insured limit by approximately \$241,000 and \$212,000 as of June 30, 2020 and 2019.

Contributions receivable consist primarily of amounts due from individuals, corporations, and foundations in the Greater Boston area. Risk is mitigated by the number and credit worthiness of contributors.

Investments have been diversified among issuers, industries, and geographic regions in order to manage market risks.

# 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### F. Fair Value Measurements

Certain expanded disclosures are required regarding the sources of how the fair value of certain financial assets and liabilities are measured by establishing a fair value hierarchy that prioritizes inputs used to measure fair value. Such assets consist of items carried at fair value on a recurring basis and consist primarily of investments and financial instruments which are valued based upon quoted prices in active or brokered markets for identical or similar assets or liabilities.

The fair value measurement hierarchy is as follows:

Level 1 – Quoted market prices for identical assets

- Level 2 Significant other observable inputs
- Level 3 Significant unobservable inputs

All of the Organization's inputs for investments are Level 1 inputs.

## G. Cash and Cash Equivalents

The expenses that are allocated include the following:

Expense	Method of Allocation

# 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (Continued)

#### J. Income Taxes

The Organization is a not-for-profit charitable organization and is exempt from Federal and state income taxes under the Internal Revenue Service Code Section 501(c)(3).

#### K. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses for the reporting period. Actual results may differ from those estimates.

#### L. Management's Review of Subsequent Events

Management has reviewed and evaluated transactions and events ("subsequent events") after the statement of financial position date, June 30, 2020, and up to and including December 4, 2020, the date the financial statements were available to be issued. The objective of this review was to determine if any events occurred subsequent to June 30, 2020 which provided additional evidence of events which may have required recognition or disclosure in the accompanying financial statements. In management's opinion, no events have occurred which require recognition or disclosure in the financial statements, except for the claim described in Note 9.

# 8. ENDOWMENT

The Organization's endowment consists of one fund established to support the Organization's mission in perpetuity. The endowment includes both donor-restricted endowment funds and funds designated by the Board to function as endowments. The net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Board's Interpretation of Massachusetts' Uniform Prudent Management of Institutional Funds Act (UPMIFA)

The Board has interpreted the UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted contribution absent explicit donor stipulations to the contrary. As a result, the Organization classifies the following as net assets with restrictions:

- a) The original value of the gifts donated to the permanent endowment,
- b) The original value of subsequent gifts to the permanent endowment, and
- c) Accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

### Appropriation Policy

The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- a) The duration and preservation of the fund
- b) The purposes of the Organization and the donor-restricted endowment fund
- c) General economic conditions
- d) The possible effect of inflation and deflation
- e) The expected total return from income and the appreciation of investments
- f) Other resources of the Organization
- g) The investment policies of the Organization

#### Investment Policy

The investment policy provides broad guidelines that apply to the long-term management of the endowment's investment portfolio. The endowment is intended to support operating and capital needs in perpetuity. Therefore, the endowment is invested broadly across asset classes with long-term horizons in accordance with investment policy guidelines. Funds are invested for total return, consistent with prudent investment management and the control of investment risk. Total return, as used herein, includes interest and dividends as well as realized and unrealized gains and losses on investments. In addition, investments are made with the goal of preserving and enhancing principal over time. In order to mitigate investment

risks, funds will be diversified among various investment classifications in accordance with guidelines outlined by the Board. The Board's investment policies and objectives are based on a three to five-year timeline. There will be deviations from performance targets on a year to year basis.

#### 8. ENDOWMENT (Continued)

The Organization's goal is to meet its current cash flow needs through non-restricted contributions and grow the endowment through the re-investment of endowment income. If non-restricted contributions are insufficient to meet the Organization's objectives, the endowment may be used to support the operations of the Organization. The Board may designate a one-time or annual draw in accordance with the Organization's appropriation policy. The endowment maintains appropriate liquidity to meet these potential withdrawals. The fund is allowed to invest in derivatives only to hedge exposure to certain risks, not as leverage or speculation. The fund is not allowed to invest in privately placed or non-marketable debt, restricted stock, direct investment in commodities, short sales, or direct investments in private placements, real estate, oil and gas venture capital, or funds comprised thereof.

#### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. Deficiencies of this nature are reported as reductions in net assets without restrictions. There were no deficiencies in donor-restricted endowment funds as of June 30, 2020 and 2019.

#### 9. COMMITMENTS/CLAIM

#### **LEASE**

The Organization leases its Boston and Providence facilities under operating lease agreements which expire in June 2053 and December 2067, respectively. Rent expense is \$100 per year for both facilities. The lease contains options to extend. In lieu of fair market rental, the Organization was required to share in the construction costs of the buildings. The Organization's construction payments were \$5,768,485 for Boston and \$4,417,079 for Providence, which have been capitalized as leasehold improvements. Boston is 18,348 square feet and Providence is 19,000 square feet and both contain office, classroom, and squash facilities. The Organization is required to share use of the facilities with each of the property owners. The property owners manage each of the properties and pay for all costs of its operation, including capital repairs, improvements, replacements, janitorial services and utilities, during the initial term of the leases.

#### <u>CLAIM</u>

In November 2018, the Organization entered into a nonbinding letter of intent with Merrimack College ("Merrimack") to co-develop a facility on its campus in North Andover, Massachusetts, to house the Organization's program focused on youth resident in Lawrence, Massachusetts. In August 2020, the Organization decided not to continue to pursue development of a facility in North Andover and to focus on a site in Lawrence.

#### 9. COMMITMENTS/CLAIM (Continued)

#### **<u>CLAIM</u>** (Continued)

In September 2020, Merrimack demanded payment by the Organization of amounts Merrimack claims it incurred in connection with the project prior to termination. The outcome of this claim cannot be determined at this time.

# 13. CORONAVIRUS (COVID-19)

On March 11, 2020, the World Health Organization declared the outbreak of Covid-19 a pandemic. The Covid-19 outbreak resulted in the Organization converting all programming to virtual. Tournaments and trips that normally would have been attended by students were postponed. Additionally, the pandemic caused the cancellation of two significant fundraising events: the Boston Marathon and the Squashbusters Derby. A significant portion of the proceeds from these cancelled events were received thanks to the generosity of the Organization's steadfast donors. The Organization does not expect any significant future negative financial impact as a result of Covid-19 due to its existing investments and continued donor support.

# 14. PAYCHECK PROTECTION PROGRAM LOAN

On April 20, 2020, the Organization received loan proceeds in the amount of \$379,700 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times the average monthly payroll expenses. The loan is forgivable if the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains certain payroll levels. The Organization has used all of the loan proceeds in accordance with the conditions for forgiveness of the loan as of June 30, 2020, and as a result has recorded \$379,700 as revenue in the Statement of Activities for the year ended June 30, 2020.
